Re: Past Due Balance \$66,339.78

#### LEGAL NOTIFICATION

Dear Mr. Gary A Feuz:

We have tried to work with you during the past several months concerning the above referenced balance. Your disregard for the N/30 terms of sale and any other reasonable payment plan leave us without options to collect your debt.

At this time we are reducing your credit limit to zero and are preparing documentation for litigation.

Unless we receive payment in full by September 30, 2004 or an approved payment plane with your 1<sup>st</sup> payment, Feuz Manufacturing Incorporated will be turned over to our attorney for collection. Please understand that you will be held liable for cost of collection, which includes, without limitation, attorney's fees and costs, incurred to collect this outstanding debt.

Sincerely,

David C. Schur

**RE: Admiral Metals Servicenter Co., Inc. ("Admiral") v.  
Gary A. Feuz, Individually, and Feuz Manufacturing, Inc.**

Dear Mr. Feuz:

Please be advised that the undersigned represents Admiral in connection with collection of outstanding invoices in the amount of \$66,339.78, plus interest in the amount of \$4,975.48, aggregating a total outstanding balance of \$71,315.26 ("**Outstanding Amount**"). Valuable products were shipped to Feuz Manufacturing, Inc. for which no payment has been received. **Furthermore, you executed a personal guarantee and shall be liable personally for all costs of collection, including attorney fees and interest at 18% per annum.**

Accordingly, DEMAND is hereby made upon you to pay this amount in full within seven (7) days from the date hereof. In the absence of full payment, I have been instructed to take appropriate court action, including an attachment on any and all assets of yours for the outstanding balance, plus costs of collection, attorney fees and interest. Finally, this court action will negatively affect your credit rating and may place you in default with financing you may have on the business.

Our actions will be dictated by your response.

Very truly yours,

Howard S. Goldman
